

A stylized illustration of a night landscape. The sky is dark with many small white stars and a large, bright white circle representing the moon in the upper right. Below the sky, there are dark, jagged mountain ranges. In the foreground, a light blue, curved horizon line suggests a snowy or sandy ground. On the right side of this ground, there is a dark blue tent. Next to the tent, a small figure of a person is sitting on the ground, and a small orange and yellow fire is burning. The overall style is simple and illustrative.
